I-87

Chief, Management Branch

10 June 1948

Executive for Inspection and Security

Change in Organizational Unit Designation

1. Request that the name of "Investigation Division" be changed to "Personnel Security Division."
2. This change of name will tend to alleviate confusion that may otherwise exist relative to functions of the "Employee Investigative Branch" and the present "Investigation Division." Further, such a change will lend itself to uniformity in organizational structure, viz, Physical Security Division, Personnel Security Division, Security Control Staff.
